ACHIEVING SUCCESS THROUGH EFFORT

Aldridge SHS would like to congratulate our newest awardees of the Level II Bridge and Bronze Duke of Edinburgh Awards.

Whether it's on the sporting field, on the stage or helping others, these amazing Aldridge students are doing great things both at school and out in the community. The Duke of Edinburgh program at Aldridge SHS is a positive youth development program which is both fun and challenging. It offers young people the opportunity to gain new skills, improve their physical fitness, participate in community service and develop a spirit of adventure, all while building positive relationships and leadership skills.

We couldn't be prouder of our students and the dedication, perseverance and commitment they have shown to achieve this prestigious award.

A very big thank you to all the mentors, volunteers, and supporters who have guided and inspired these remarkable individuals throughout their Duke of Edinburgh journey. Your guidance and encouragement have played an invaluable role in their success.

FUTSAL COMPETITION RESULTS

What a fantastic effort from our futsal teams at last week's competition in Hervey Bay! Our Open Girls team narrowly missed out on the semi-finals by just one point, finishing an impressive 5th overall. A huge shoutout to our 15 Girls team who finished as runners up, despite having three players new to the game - talk about dedication! Special mention to Finn for her incredible effort, playing in a total of 11 games across both teams.

Our Open Boys team had a stellar performance, finishing in 3rd place. They treated us to some exciting futsal action throughout the day, even though they were exhausted from only having one sub. We are so proud of our teams and the effort and determination they brought to each game. Well done everyone!

YEAR 11 HOSPITALITY EXCURSION

Last week, our Year 11 Hospitality students had the fantastic opportunity to visit the Cozii Cafe at the Criterion Hotel, one of Maryborough's oldest hospitality establishments. Students learned about the journey they have taken to stay current to the times and meet customers' changing needs. They received a thorough explanation on the legalities of operating a food and beverage outlet, followed by a tour of the café, now transformed into a dog-friendly, cosy spot with board games. After the tour, they picked up a few tricks of the trade from Emma and Kylie, delving into the espresso menu and mastering the art of mocktail making. Watch this space as our students put this new knowledge to the test over the next few weeks! A huge thank you to Kylie, Emma and Cozii Café for welcoming our students, giving up their time to showcase their establishment and inspiring us to always think 'outside the box'.
